Guatemala

Dear sisters and brothers in Christ,

We greet you in the name of our Redeemer, Jesus Christ, and pray that you feel his presence walking with you each day.

Thank you for the letters you recently sent to us; we treasure news from you, and we are overjoyed to hear that the corn harvest is good this season. We hope and pray that the bounty of the harvest provides nourishment for your families, as well as income for the necessities of your households.

Thank you also for your invitation to celebrate with you on May 11, the first anniversary of ILA Mensajero de Cristo. We are sorry to say that we won't be able to join you then, but we hope to visit you in autumn of 2017. We will work with Pastora Karen to find time to spend together as the family of Christ.

We pray for you each Sunday, and we say special prayers for you as we approach Advent and Christmas. Please pass our greetings and prayers to all the children of ILAMdeC, and we look forward to singing and playing together again in 2017.

May God bless you now, and always! In the name of Jesus Christ our Savior,

The congregation of Grace Lutheran Church
