

## Wednesday Sundaes

Here is the ice cream schedule for summer 2017. Please provide two buckets of ice cream; a favorite is definitely mint chocolate chip!

Please check with the person ahead of you to see what ice cream is left in the freezer and how much they went through the week before, so you can gauge how much you need to buy. We hope that you can donate the ice cream you buy, but please feel free to ask me for a reimbursement, if your budget does not allow.

I am in charge of restocking the toppings. Please call or email to let me know when we are getting low.
